### EVAPORATOR ASSEMBLIES

EVAPORATOR PART NUMBER	DIMENSIONS	EVAPORATOR PRICE	DESCRIPTION/FEATURES
97UN001	Length 16 <sup>1</sup> / <sub>4</sub> " Width 10 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal 24 pass coil, two all directional louvers, 3-speed motor, fan switch, rotary thermostat, with black plastics and black bezel trim - header tubes right side
97UN002	Length 16 <sup>1</sup> / <sub>4</sub> " Width 10 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal 24 pass coil, two all directional louvers, 3-speed motor, fan switch, rotary thermostat, with black plastics and black bezel trim - header tubes left side
97UN003	Length 16 <sup>1</sup> / <sub>4</sub> " Width 10 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal 24 pass coil, four (4) hole front, 3-speed motor with black plastics - header tubes right side Add \$50.00 for remote switch box and switches
97UN004	Length 16 <sup>1</sup> / <sub>4</sub> " Width 10 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal 24 pass coil, four (4) hole front, 3-speed motor with black plastics - header tubes left side Add \$50.00 for remote switch box and switches
97UN005	Louver bezel length 26 5/8" Case length 16 <sup>1</sup> / <sub>4</sub> " Width 11 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal slim line left - A/C only - front louver (3 or 4) bezel assembly - 24 pass coil, 3-speed motor, main rear case assembly to the left
97UN006	Louver bezel length 26 5/8" Case length 16 <sup>1</sup> / <sub>4</sub> " Width 11 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal slim line center - A/C only - front louver (3 or 4) bezel assembly - 24 pass coil, 3-speed motor, main rear case assembly to the center
97UN007	Louver bezel length 26 5/8" Case length 16 <sup>1</sup> / <sub>4</sub> " Width 11 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal slim line right - A/C only - front louver (3 or 4) bezel assembly - 24 pass coil, 3-speed motor, main rear case assembly to the right
	Louver bezel length 26 5/8"

97UN008	Case length 16 <sup>1</sup> / <sub>4</sub> " Width 11 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal slim line left - A/C Heat - front louver (3 or 4) bezel assembly - 24 pass coil, 3-speed motor, main rear case assembly to the left
97UN009	Louver bezel length 26 5/8" Case length 16 <sup>1</sup> / <sub>4</sub> " Width 11 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal slim line center - A/C Heat - front louver (3 or 4) bezel assembly - 24 pass coil, 3-speed motor, main rear case assembly to the center
97UN0010	Louver bezel length 26 5/8" Case length 16 <sup>1</sup> / <sub>4</sub> " Width 11 <sup>1</sup> / <sub>2</sub> " Depth (Height) 4 5/8"		Universal slim line right - A/C Heat - front louver (3 or 4) bezel assembly - 24 pass coil, 3-speed motor, main rear case assembly to the right
97UN0011	Length 17" Width 11 <sup>1</sup> / <sub>4</sub> " Depth (Height) 4 5/8"		Universal Super Cooler - A/C only, 32 pass coil, two all directional louvers, 3-speed motor fan switch and rotary thermostat with black plastics and black bezel trim.
97UN0012	Length 17" Width 11 <sup>1</sup> / <sub>4</sub> " Depth (Height) 4 5/8"		Universal Super Cooler - A/C Heat, 32 pass coil, two all directional louvers, 3-speed motor fan switch and rotary thermostat with black plastics and black bezel trim.
97UN020	Length 16 1/8" Width 11" Depth 4 7/8"		Universal 24 pass coil, all chrome front bezel, two all directional louvers, 3-speed motor, fan switch and rotary thermostat located in center of bezel, header tubes right side
97UN021	Length 16 1/8" Width 11" Depth 4 7/8"		Universal 24 pass coil, all chrome front bezel, two all directional louvers, 3-speed motor, fan switch and rotary thermostat located in center of bezel, header tubes left side
NOTE: Universal Units May Be Customized To Suit Your Special Application Such As 24-Volt Motors, Adding Cable Operated Heater Valve, A/C Heat Evaporator Coils, Different Bezel Fronts, etc.
